

Brussels International Contemporary Drawing Fair

ART ON PAPER

BOZAR / Fri 25 > Sun 27.10/19
Rue Ravensteinstraat 23 / 1000 Brussels

Art on Paper has the ambition to reflect drawing's status without fear of deflecting it. Discover a unique panorama of various approaches to contemporary drawing presented by a selection of 40 established and emerging Belgian and international galleries. Solo shows, performance, talks: a 3-day programme to celebrate drawing in all its shapes and forms and to mark the 5th edition of the Art on Paper fair in BOZAR.
